

LA SBERCIA

SINEMURI RED

VINTAGE STILL
RED WINE

Grape: Sinemuri has no limits: it is obtained from a blend of native and international grapes grown in the most suitable terroirs of the Municipalities of Borgoratto Mormorolo and Borgo Priolo, Apennine villages within the territory of the Four Regions, where Lombardy, Piedmont, Emilia and Liguria converge.

Denomination: Red Wine

Organoleptic properties:

Color: lively ruby red.

Fragrance: fresh and fragrant notes of red fruits.

Taste: harmonious, with soft and velvety tannins that make it particularly pleasant to drink. Agile and balanced.

Alcohol content: 13 % vol

Food pairings: Excellent in combination with rich first courses (such as lasagna or cannelloni) and salami, but also with grilled meat, chicken and roasts.

Service temperature: 16 - 18°C
